Brother President  
of the Palestinian People and State

**Comrade Mahmoud Abbas**

Your hands

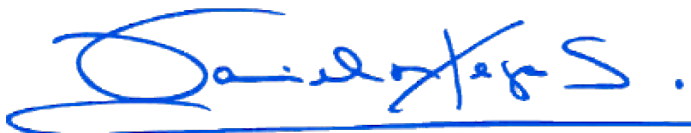

Brother President:

We have felt deeply the death of Dear Brother Saeb Erekat, who today passed to another Plane of Life in Jerusalem, as a Symbol of his Heroic Struggle for Justice for his People and his Sacred Land.

We had the honor of meeting and talking with Brother Saeb Erekat, when together with Comrade Commander Yasser Arafat, we shared hours and

days of Reflections and Proposals for a World of Justice and Peace.

In the face of this sensitive and irreparable loss, we convey to You, Brother President, and through You, to all your People and in particular to all the Comrades of Brother Saeb Erekat, his Family, his Loved Ones, an Embrace of Solidarity, in the continuity of the Struggles that we wage for a World of Brotherhood, Respect, Dialogue and Peace.
