His Excellency, Francisco Campbell
The Embassy of Nicaragua
1627 New Hampshire Avenue NW
Washington, D.C. 20009

Your Excellency,

Please accept our sincerest congratulations for your recent electoral victories and your continued triumph over U.S. aggression as the imperialists of our land still threaten your nation's sovereignty. Regardless of all the imperialist-funded media attacks on Daniel Ortega and the Sandinista revolutionary process, there are still progressive forces in the United States that are taking the side of progress and democracy which was shown on November 7, 2021 in Nicaragua.

We were pleased to send one of our members, Christian Guevara, to Nicaragua with the Friends of the ATC delegation to observe the electoral process and engage with working class people in Nicaragua. Christian spoke highly of the people in your country and sharpened his critique of the U.S. ruling class upon his return. The Claudia Jones School plans on organizing forums and virtual webinars discussing the democratic process in Nicaragua.

Claudia Jones herself, a Black woman immigrant from Trinidad to the United States, was deported because of her steadfast critique of U.S. imperialism and her struggles for peace in the world. As a popular education school continuing her legacy, we will be on the side of democracy and for social progress in the world. As working-class citizens of the United States, it is our special obligation to fight against U.S. intervention and imperialist policy which also affects us at home.

In international struggle and solidarity,

Long Live the Sandinista Revolution!
Long Live the People of Nicaragua!
A luta Continua!
