His Excellency, Francisco Campbell
The Embassy of Nicaragua
1627 New Hampshire Avenue NW
Washington, D.C. 20009

Your Excellency,

On behalf of the D.C. Metro District of the Communist Party USA, please accept our deepest congratulations on the victory of President Ortega and the FSLN in the recent election. The FSLN's steadfast courage in the face of U.S. imperialism will serve as an example for democratic and progressive forces the world round.

The accomplishments of the FSLN are well-established: dramatic reductions in poverty and infant mortality; a reduction of the illiteracy rate to less than 5%; establishing Nicaragua as a global leader in gender equity; the list goes on. The revolutionary process in Nicaragua has established itself as a guiding light time and again.

Those of us that are in the D.C. Metro CPUSA are excited to see what the FSLN will do for the Nicaraguan people over the next term, and we hope the opportunity will arise for us to work together. As citizens of the United States, we will continue struggling against the imperialists of our ruling class that threaten your nation's sovereignty.

In Solidarity,

Arturo Griffiths, Carol Rosenblatt, Dante O'Hara

On behalf of the D.C. Metro District of the Communist Party USA
