

**Remarks by Rosario  
Vice President of Nicaragua  
after the Act of the 44th Anniversary  
of the Sandinista Popular Revolution  
July 19th 2023**

**Good evening. Here, happy and grateful to the God of All Victories, because we are here, eager to fight and to continue building the Better Nicaragua that we all want; to continue developing all the Social Programs, the Housing Programs, the Programs of communications for us: Roads, Bridges, Highways; Health; Education. Everything we have**

**been doing with so much love, so much commitment, so much dedication, and we will keep doing with more and more energy, because our People deserve it.**

**Today and every July 19th we feel more and more committed, because this People of ours is a Glorious, a Heroic People, a Formidable People, a Victorious People, because it is a People living from the Spirit, from Faith, and from Love.**

**That is why we say: Christ Jesus lives here, we live with Christ in our Heart, and that is Love, and it is with Love and for Love, Christian, Socialist and in Solidarity, that we work and serve this Great People of ours, which is the Hero, which is the Protagonist, which is the Owner of All our Victories, Thank You.**
